**Career Cluster:** Human Services

**CIP Code:** 190101

**Course Number and Title:** 5813 Financial Fitness 2

**Course Description:** Graduation is near and life after high school is quickly approaching! Are you ready? Take this course to help to put yourself in control of your future. Financial Fitness 2 is an in-depth study of financial management skills. Building on skills mastered in Financial Fitness 1, students will further research and analyze savings and investment options, consumer legislation, local, state, and federal consumer protection agencies, and financial services career paths. Learning experiences incorporate strategies to improve higher order thinking skills, incorporate the use of technology, solve real-world problems, and develop characteristics of a responsible consumer. Students will have opportunities to interact with professionals from business and industry. Integration of the Family and Consumer Sciences career and technical education student organization—Family, Career and Community Leaders of America—greatly enhances this curriculum.

**Grade Level:** 11 – 12
